Fox Valley Technical College is pleased to provide this financial aid award package to you.

Upon careful review of the information you provided on your FAFSA (Free Application for Federal Student Aid), we have identified funding that you may be eligible for in the Financial Aid Offer box below. If you are a Pell grant recipient, please be aware that this funding may change based on your credit status as of the census date (see chart above). A few more important items to note:

- It is your responsibility to access and understand the financial aid information at www.fvtc.edu/finaid in order to assure disbursement of funds, understand your rights and responsibilities and review our policies. For example:
 - The **census date** is the 10th day of classes. This date is used to determine how many credits you are enrolled in and exactly how much financial aid we are able to disburse to you. Funds are disbursed into your student account to pay your balance, and then excess funds will be refunded to you. Excess funds are able to be received (after the census date) by **direct deposit** to your checking or saving account.
 - Access MyFVTC > click on the eFAS link > select eRefund (account and routing number are needed).
 - Please be aware that dropping classes may have an impact on your financial aid, and may require that you owe money back to FVTC. See www.fvtc.edu/finaid/r2t4 for details.
 - You may be able to charge your **books** at our campus book store if you have remaining funds after tuition and fees are covered. Visit www.fvtc.edu/finaid/dates for details.
 - Your award will be cancelled if you do not meet Financial Aid Satisfactory Academic Progress.
- You must be enrolled in at least six fundable credits to be eligible to receive loans. You must accept or decline **student loans** from your MyFVTC account.
 - Access MyFVTC and click on the Financial Aid link
 - If you choose to accept the loans, you must also access www.studentloans.gov to complete the Master Promissory Note (MPN) and Undergraduate Loan Entrance Counseling if you have not already done so.
- If **additional funding** is needed, please access www.fvtc.edu/finaid/studentloan. Additional funding may include Additional Loans, Alternative Loans and PLUS (Parent Loan for Undergraduate Students).
- If offered **Work Study**
 - Obtain further instructions and search for available "Work Study Jobs" at www.fvtc.edu/workoptions.
